

ABOUT US

With the emergence of Chhattisgarh as a vibrant 26th state of the union, Chhattisgarh Dental College & Research Institute emerged as a pioneer institute in field of dental education.

Established in the year 2001, it was crowned with the glory of being the first dental college of the state with intake of 100 seats for BDS program and 26 seats for MDS program in seven specialities recognized by Dental Council of India and is affiliated to Pandit Deendayal Upadhyay Memorial Health Sciences and AYUSH University of Chhattisgarh. It is also the first Dental college that has been NAAC accredited and is ISO 2015 certified.

Located on NH-35 on outskirts of Rajnandgaon, the college is built on 5.2 acres with lush green campus and equipped with all modern facilities catering to the dental education and overall well being of the students with zero tolerance towards ragging. The campus also has a state of art multispeciality hospital for student and patient care.
